APPLICATIONS: NONE

COMMITTEE'S: NONE

REPORT OF OFFICERS:

CHIEF- J. Bulmer has expressed interest in old trailer that had bell on it. Will be deferred to EJFD this Wednesday. Hose test will begin soon, NFPA standards require appliances and hoses to be tested after 1987. ALL attack lines will be 300 PSI unless specified on hose. Supply lines will be tested at 200 psi unless supplying an aerial truck then it increases to 300 psi. Looking at hose replacement policy/plan in the future. Josh Wilson is NOT leaving the Hubbard CITY/TWP area. Thanks to loft tear down participants. Congrats to FFII participants on passing their state certifications. Will be on vacation the week of the 14th. NO CALLS or TEXT messages "PLEASE".

ASSISTANT CHIEF- Congrats to FFII participants on passing tests. Monday night we will be touring the new assisted living facility on Elmwood drive. Be at station 1815.

CAPTAIN: Congrats to FFII participants

1st LT. Absent

2nd Lt.: Congrats to FFII participants

SAFETY: Beware of Interstate dangers. Crew member at scene didn't survey area and fell to his death on an interstate. Dallas firefighter and Texas firefighter one fatality and one injured on interstates. Both, not aware of their surroundings. NY FF struck at scene by oncoming traffic. NJ 54 yr. old VFF collapsed and died after fighting a 4 alarm fire going in/out multiple times.

SECRETARY: No Report

OLD BUSINESS: Need list of old sets of gear

NEW BUSINESS: Discussion about status of gas tank on ENG #7 is in but needs changed. Discussion about gloves for Jaws calls and medical. NEED Heavier (BLACK) gloves for the trucks. S. Mauch, EMS coordinator to be contacted. Petro has certified gear repair person to fix our existing turnout gear.
