Driver Safety Training 2020-2021

This year's training will consist of 4 online modules and once completed a 20 minute on road observation ride.

The online portion can be done at your home at your convenience. Go to the website RESPONDERSAFETY.COM On that site go to the Learning Network then Free Online Training.

Please register and record your: (These will be needed to verify completion at station)

EMAIL ADDRESS: _____

PASSWORD: _____

Complete the following 4 courses:

1. Advanced warning
2. Blocking procedures at roadway incidents
3. High visibility innovations
4. Manual on Uniform Traffic Control Devices (MUTCD)

We are asking that these courses be completed by 10/19/20 (10 weeks)

Once you have these modules completed bring this paper with your email & password Information to the station so your work can be verified, and your certificates printed for your file.

Driving portion can be scheduled with Captain Petro or Asst. Chief Kelley after the online portion is completed. We hope to complete these on Monday nights after clean-up. There will also be Saturdays Scheduled posted for on road to help expedite everyone's certification.

Please direct questions to Captain Petro, Thank you.
