Chief: Duty crew going out to tour or visit a business please contact them prior to arriving. Every employee must read out policy social media policy and electronic communication resource. I would like to see about getting a committee to collect response times for EMS calls when Lanes started responding and compare them to our response times. Any pay training will only be for approved EJFD drills and training, no outside training such as CE for EMS or fire will be paid, also the EJFD meetings will be paid but not the HVFD, so you will need to clock out after meeting is adjourn. Rescue 28 generator has been repaired but the light tower still has a leak so the tower may come down slowly.
