

Eagle Joint Fire District Meeting Minutes (Firefighters)

The meeting of Monday June 13, 2022 was called to order with Captain John Petro presiding. Before the Pledge of the Flag the minutes of the previous meeting were distributed to the body.

COMMUNICATIONS: Letter from Saint Patrick Church on their festival coming up in August and are asking if we would like to donate a raffle basket. Received a letter from Mary Ann Lark for donation and thank you.

APPLICATIONS: None

Chief: Looking to place a EMS levy for November of this year, we have currently have two levy one for capital and the other for operation but need to put some numbers together on runs with transport. The EMS program is off the ground with a budget less then 100,000. Working on getting radio's with repeaters along with 2 portables for both squad units. Tanker 28 is still out of service and added Coitsville tanker to our first box. Thanks to everyone who helped remove the platforming the wash bay to help with Engine28. Met with the mayor about cleaning up around the flag pole and making a concrete pad to place the bell on.

Captain: Thanks to everyone for stepping up around the station and on calls.

1st LT: Absent

2nd LT: Nothing

SAFETY: Working on driver training for new employees.

SECRETARY: Nothing

OLD BUSINESS: None

NEW BUSINESS: We received a loaner Lucas machine from University Hospital, J. Bizub will have training on the machine.

FIRE LOG: Call for a lift assist at Stoneybrook trailer park, the squad was going too fast more then 10 mph over the posted speed limit. On any EMS calls that are life threatening you can go to the call, added a option on Active 911 (RespStat = Responding to Station), (RespScen = Responding to Scene)

Minutes Read: F. Behnke

Corrections: None

GOOD OF THE ORDER: Discussion about making sure you understand the liability when you are responding to the station or scene.

Motion to adjourn: S. Mauch

Sec: S. Hollander

Time:19:45

First to respond First to connect

Providing enhanced communications
– especially when lives are on the line

Whatever the situation, FirstNet is the wireless network you need to connect and communicate every day – especially when lives are at stake. But it's so much more than that. With FirstNet, firefighters like you get unique capabilities, like:

- **No throttling** for FirstNet subscribers anywhere in the U.S.
- **Prioritized access** – never competing with commercial traffic
- **FirstNet Band 14 spectrum** – now live in 700+ markets*
- **Affordable rate plans and industry-leading devices** with advanced features
- **Heightened security** to resist physical and cyber threats

Your organization will verify your eligibility. Visit a local AT&T store with your FirstNet code and we'll help you get started today.

*As of February 22, 2021 Press Release.

**To purchase a FirstNet Responder plan as a Subscriber Paid User, you must be (a) a verified current employee/volunteer for a qualified public safety entity who serves in law enforcement, fire protection, emergency medical services (including emergency departments), emergency 911 call dispatch, National Guard or emergency management; or (b) employees of eligible entities that contribute to, or help enable, or support the provision of public safety services to first responders and whose duties are directly related to contributing, enabling or providing public safety services. Your eligibility will be verified by your qualified public safety entity or through a process begun in an AT&T retail location or firstnet.com/signup. You will be subject to periodic re-verification. You must have an AT&T Wireless Customer Agreement and an individual FirstNet account. You will be limited to 3 FirstNet Responder lines of service — 1 each of phone, tablet and wearable. If you are not a verified Subscriber Paid User or are in violation of the single line limit for each device, AT&T may suspend, change or terminate your FirstNet service. See firstnet.com/firstnetresponder (first responders) or <https://www.firstnet.com/firstnetrespondersprimary> (those who support first responders) for verification and other details.
